RECEIVED

The Honorable Todd Apo, Chair
and Members of the Budget Committee
Honolulu City Council
530 South King Street
Honolulu, Hawaii 96813

Dear Chair Apo and Members:

SUBJECT: Resolution 06-363, Sale of Subsurface Easements
within Lewers Street and Kalia Road, TMK 2-6-003

We are in support of the sale of two subsurface easements, designated as Easement W-1, with an area of 402 square feet, within Lewers Street, and Easement W-2, with an area of 415 square feet, within Kalia Road, for the total recommended fee of \$57,190, based on an appraisal. The easements are for the installation of chilled water distribution lines for air conditioning purposes. The various City agencies have no objections to the sale of the subsurface easements. The use of micro-tunneling technology will minimize any disruption of the use of the streets.

Thank you for the opportunity to provide testimony on this matter.

Sincerely,
